Durham, NH • Public School

The most comprehensive
guide to free speech on
campus — anywhere

*Because a true university
education requires freedom
of expression.*

The College Free Speech Rankings are based on student surveys,
campus policies, and recent speech-related controversies.

Overview

University of New Hampshire ranks 38 out of 257 schools in the 2026 College Free Speech Rankings. UNH earned a score of 66, giving it a D speech climate grade, while earning a “green light” Spotlight rating for its written student policies.

Policy strength aside, student sentiment paints a less favorable picture. UNH places in the bottom 25 nationwide for “Comfort Expressing Ideas,” suggesting many hesitate to voice controversial opinions.

UNH could strengthen its speech climate by formally adopting the Chicago Statement and an official commitment to institutional neutrality, as well as pairing those commitments with programming that normalizes respectful disagreement.

Spotlight Rating

Green

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.

If you are a school administrator and would like to discuss your rating, reach out to speechcodes@thefire.org.
