Overview

DePaul University ranks 241 out of 261 schools in the 2027 College Free Speech Rankings with a score of 53 and an F speech climate grade.

It lands in the bottom 25 for "Administrative Support" and "Political Tolerance," indicating students doubt officials will defend speech and are less willing than students at other schools to host controversial speakers. It ranks in the bottom 50 for "Disruptive Conduct," signaling student acceptance of non-peaceful forms of protest. Its "Self-Censorship" rank jumped 134 places from last year, indicating less hesitation to speak.

The school earns a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt the pro-free speech Chicago Statement and institutional neutrality. Given its weak showing on "Administrative Support," administrators should clearly and forcefully defend free speech whenever censorship occurs or is demanded.
