Overview

University of Illinois Chicago ranks 129 out of 261 schools in the 2027 College Free Speech Rankings with a score of 60 and a D- speech climate grade.

UIC ranks in the top 50 for "Openness," meaning fewer contentious topics feel off-limits to students. However, it lands in the bottom 50 for "Disruptive Conduct," signaling student acceptance of non-peaceful forms of protest.

UIC retains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt the pro-free speech Chicago Statement and an official commitment to institutional neutrality. UIC should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating
Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
