Overview

Eastern Kentucky University ranks 16 out of 261 schools in the 2027 College Free Speech Rankings with a score of 74 and a C speech climate grade.

EKU ranks in the top 25 for "Comfort Expressing Ideas," showing students are comfortable sharing views on controversial topics, and in the top 50 for "Political Tolerance," showing comparatively greater student willingness to host speakers across the ideological spectrum. However, it lands in the bottom 25 for "Openness," meaning many contentious topics feel off-limits to students.

EKU maintains a "green light" Spotlight rating and has adopted institutional neutrality. It should adopt the pro-free speech Chicago Statement and respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.
