Overview

University of Louisville ranks 38 out of 261 schools in the 2027 College Free Speech Rankings with a score of 69 and a D+ speech climate grade.

Louisville jumped 119 places into the top 25 for "Political Tolerance," showing comparatively greater student willingness to host speakers across the ideological spectrum. Its "Disruptive Conduct" rank soared 188 places, indicating lower student acceptance of non-peaceful forms of protest. However, it tumbled 107 places into the bottom 50 for "Self-Censorship," meaning students frequently stay silent.

Louisville retains a "green light" Spotlight rating. It should adopt the pro-free speech Chicago Statement and institutional neutrality. It should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating

Green

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
