Overview

Mount Holyoke College ranks 228 out of 261 schools in the 2027 College Free Speech Rankings with a score of 54 and an F speech climate grade.

The campus ranks in the top 25 for "Openness," meaning fewer contentious topics feel off-limits to students. However, it lands in the bottom 25 for "Political Tolerance," showing reduced student willingness to host controversial speakers, and "Disruptive Conduct," signaling student acceptance of non-peaceful forms of protest.

Mount Holyoke earns a "red light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt the pro-free speech Chicago Statement and institutional neutrality. It should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the college's commitment to free speech and build community trust that the administration will defend expressive rights.
