Overview

Michigan State University ranks 70 out of 261 schools in the 2027 College Free Speech Rankings with a score of 64 and a D speech climate grade.

The data shows no top 50 strengths. The campus ranks in the bottom 25 for “Self-Censorship.” The university tumbled 194 places from last year in this component, indicating students frequently stay silent.

MSU has adopted the pro-free speech Chicago Statement and an official commitment to institutional neutrality, but it maintains a “yellow light” Spotlight rating. MSU should revise its student policies to earn a “green light” Spotlight rating. It should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university’s commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating

Yellow

FIRE’s Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.

If you are a school administrator and would like to discuss your rating, reach out to speechcodes@fire.org.
