Overview

Mississippi State University ranks 34 out of 261 schools in the 2027 College Free Speech Rankings with a score of 70 and a C- speech climate grade.

MSU ranks in the top 25 for "Comfort Expressing Ideas," indicating comfort sharing views on controversial topics. Its "Disruptive Conduct" rank jumped 122 places from last year into the top 50 this year, indicating lower student acceptance of non-peaceful forms of protest. However, it lands in the bottom 25 for "Self-Censorship," meaning students stay silent.

MSU retains a "green light" Spotlight rating. It should adopt the pro-free speech Chicago Statement and institutional neutrality. MSU should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating
Green

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
