Overview

The University of Nevada, Reno ranks 104 out of 261 schools in the 2027 College Free Speech Rankings with a score of 62 and a D- speech climate grade.

UNR ranks in the bottom 25 for "Openness," meaning many contentious topics feel off-limits to students. The data shows no counterbalancing top 50 strengths.

The Nevada System of Higher Education's board has affirmed the pro-free speech Chicago Statement, which applies to UNR. However, UNR retains a "yellow light" Spotlight rating. UNR should revise its student policies to earn a "green light" Spotlight rating and adopt an official commitment to institutional neutrality. It should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.
