Overview

The University of New Mexico ranks 156 out of 261 schools in the 2027 College Free Speech Rankings with a score of 59 and an F speech climate grade.

UNM fell 138 places from last year into the bottom 50 for "Disruptive Conduct," showing student acceptance of non-peaceful forms of protest. Its "Comfort Expressing Ideas" rank jumped 111 places from last year, indicating greater student comfort sharing views on controversial topics. The data shows no top 50 strengths.

UNM maintains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt the pro-free speech Chicago Statement and institutional neutrality. It should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating
Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
