Overview

Fordham University ranks 173 out of 261 schools in the 2027 College Free Speech Rankings with a score of 58 and an F speech climate grade.

Fordham lands in the bottom 50 for "Political Tolerance," showing reduced student willingness to host controversial speakers. However, its "Disruptive Conduct" rank jumped 142 places from last year into the top 50 this year, signaling lower student acceptance of non-peaceful forms of protest.

Fordham maintains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating, adopt the pro-free speech Chicago Statement, and adopt an official commitment to institutional neutrality. Fordham should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.
