Overview

Stony Brook University ranks 196 out of 261 schools in the 2027 College Free Speech Rankings with a score of 57 and an F speech climate grade, dropping 51 places from last year.

Stony Brook lands in the bottom 50 for "Administrative Support," indicating students doubt the administration will defend speech. Its "Self-Censorship" rank tumbled 131 places from last year into the bottom 25 this year, showing students frequently stay silent. The data shows no top 50 strengths.

The campus maintains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating, adopt the pro-free speech Chicago Statement, and adopt an official commitment to institutional neutrality. Given its weak showing on "Administrative Support," administrators should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded.

Spotlight Rating
Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
