Overview

The University of Cincinnati ranks 108 out of 261 schools in the 2027 College Free Speech Rankings with a score of 62 and a D- speech climate grade.

Cincinnati has adopted the pro-free speech Chicago Statement, but it retains a "yellow light" Spotlight rating. The data shows no top 50 strengths or bottom 50 weaknesses.

The university should revise its student policies to earn a "green light" Spotlight rating and adopt an official commitment to institutional neutrality. Cincinnati should respond clearly and forcefully whenever censorship occurs or is demanded. Doing so will demonstrate its commitment to free expression and help build community trust that the administration will defend expressive rights.

Spotlight Rating
Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
