Overview

The University of Toledo ranks 91 out of 261 schools in the 2027 College Free Speech Rankings with a score of 63 and a D speech climate grade.

Toledo ranks in the top 25 for "Disruptive Conduct," showing lower student acceptance of non-peaceful forms of protest. It jumped 143 places from last year into the top 50 for "Comfort Expressing Ideas," indicating greater student comfort sharing controversial views.

Toledo's faculty senate has affirmed the pro-free speech Chicago Statement, but the university maintains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt an official commitment to institutional neutrality. Toledo should respond clearly and forcefully whenever censorship occurs or is demanded. Doing so will demonstrate its commitment to free expression and help build community trust that the administration will defend expressive rights.

Spotlight Rating

Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
