Overview

The University of Oregon ranks 179 out of 261 schools in the 2027 College Free Speech Rankings with a score of 58 and an F speech climate grade. The university maintains a "yellow light" Spotlight rating.

UO is in the top 50 for "Self-Censorship," meaning students report comparatively less hesitancy to speak. However, it lands in the bottom 25 for "Disruptive Conduct," signaling student acceptance of non-peaceful forms of protest.

UO should revise its student policies to earn a "green light" Spotlight rating, adopt the pro-free speech Chicago Statement, and adopt an official commitment to institutional neutrality. It should respond clearly and forcefully to defend speech whenever censorship occurs or is demanded. Doing so will demonstrate its commitment to free expression and help build community trust that the administration will defend expressive rights.

Spotlight Rating
Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
