Overview

Rice University ranks 250 out of 261 schools in the 2027 College Free Speech Rankings with a score of 52 and an F speech climate grade.

The campus ranks in the bottom 50 for “Disruptive Conduct,” signaling student acceptance of non-peaceful forms of protest. The data shows no top 50 strengths.

Rice maintains a “red light” Spotlight rating. It should revise its student policies to earn a “green light” Spotlight rating and adopt the pro-free speech Chicago Statement and an official commitment to institutional neutrality. Rice should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university’s commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating

Red

FIRE’s Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
