Overview

Washington and Lee University ranks 60 out of 261 schools in the 2027 College Free Speech Rankings with a score of 65 and a D speech climate grade.

W&L ranks in the top 25 for "Political Tolerance," showing comparatively greater student willingness to host speakers across the ideological spectrum, and "Disruptive Conduct," indicating lower student acceptance of non-peaceful forms of protest.

W&L has adopted the pro-free speech Chicago Statement but retains a "yellow light" Spotlight rating. It should revise student policies to earn a "green light" Spotlight rating and adopt an official commitment to institutional neutrality. W&L should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.
