Overview

Washington State University ranks 93 out of 261 schools in the 2027 College Free Speech Rankings with a score of 63 and a D speech climate grade, falling 34 places from last year. The data shows no top 50 strengths or bottom 50 weaknesses.

WSU maintains a "yellow light" Spotlight rating and has adopted an official commitment to institutional neutrality. It should revise its student policies to earn a "green light" Spotlight rating and adopt the pro-free speech Chicago Statement. WSU should respond clearly and forcefully to defend free speech whenever censorship occurs or is demanded. Doing so will demonstrate the university's commitment to free speech and build community trust that the administration will defend expressive rights.

Spotlight Rating

Yellow

FIRE's Spotlight database annually rates regulations on student expression based on the extent to which they restrict free speech.
